Cargo Insurance

We review many policies on a weekly basis and one of the exposures we find time and time again is the lack of Cargo Insurance. On Hook or Garage Keepers will cover the car or Truck that is in your care, custody or control. However, all Towing Operations will need a Motor Truck Cargo Policy, which will cover other items like Mobile Equipment, Skid Steers, Tool Boxes or like items.

Depending on your insurance carrier, the Cargo Coverage may show up as a separate policy under Inland Marine, or it could show with On-hook as On Hook/Cargo. I like the separate Policy (Inland Marine) as it will blanket one limit for the entire fleet.

Ask you Agent to show you the limit for Cargo Insurance just to make sure you have the coverage, or call me and I would be more than happy to help you. Safe travels to all.
