MILE-STONE Optional Coverages

At SECURA, we understand how important it is to protect the life you've built. And the life you have yet to enjoy.

We'll be there for you and your family whenever you need us. Below are some additional coverages to consider to extend your protection.

Restore or replace your damaged or destroyed home

(Guaranteed Replacement Cost)

This automatically increases the dwelling limit to equal the current replacement cost.

Be ready in case of a water or sewer backup

(Water Backup of Sewer and Drains Coverage)

An increased limit of \$5,000 in cases of water and sewer backup is available when you add this coverage. Included for no additional cost with MILE-STONE Gold. (*Higher limits available.*)

Protect your home-based business

(Home-Based Business Coverage)

Property and liability coverage is provided for any eligible business operated in your home when you add this coverage. Eligible businesses include office/professional businesses, retail sales on/off premises, and service/repair/crafts businesses.

Fight back with identity theft protection

(Identity Fraud Expense and Restoration Coverage) Up to \$25,000 coverage is provided for expenses incurred as a direct result of any identity fraud first discovered during the policy period. You also gain proactive resources and one-on-one expert victim assistance in the case of identity theft with this coverage. Included for no additional cost with MILE-STONE Gold.

Beat the inconvenience of a roadside breakdown

Have access to roadside assistance 24 hours a day, seven days a week — even in autos you don't own. You receive help for flat tires, accidents, lock-outs, dead batteries, running out of gas, towing, and a stalled or stuck vehicle. This coverage is sign-anddrive, meaning you don't need to pay up front. Included for no additional cost with MILE-STONE Gold.

Coverages may not be available in all states. Coverages described are subject to all the terms and conditions of the policy, including deductibles, exclusions, and limits of liability.
