

The Heart of Your Insurance Protection

Your car is worth a lot to you.

Let us do all the work to get you back on the road in the style you've become accustomed to.

Your car is one of your most important possessions. It transports you, your family, and your friends to jobs and important events. When something happens to your car, your world is turned upside down. All of a sudden, everyday life has become more difficult: minor tasks are now more complicated and replacing your car is inconvenient and time-consuming.

Badger Mutual has solved these problems by offering Concierge Replacement Service as an optional coverage for your automobile policy.

Badger Mutual's Concierge Replacement Service is available for all fully-covered automobiles up to ten years old.

If your car is totaled during the first three model years, the Concierge Service will provide you a new, current-model-year replacement vehicle.

After three model years, the Concierge Service will provide an equivalent vehicle of similar make and model year.

Either way, your life will be back to normal and you didn't have to lift a finger.
